August 10, 2011

Dear GRC Parents and Guardians,

It's hard to believe that summer has to come to an end and school is ready to begin. As we start the new school year, I would like to provide you with some information about the nature and purpose of our student fees.

GRC High School assesses a \$65 annual instructional fee for all students in grades 9-12. This annual fee is used to cover various classroom and instructional expenses, such as student workbooks, supplies, individual student IDs, field trip costs, etc. Per our board policy, all student fees and charges shall be adopted by the Board, as well as the SBDM Council. All student fees collected during any given school year may be used only for student-related purposes and activities that occur during that same school year. Funds from student fees will not be carried forward to the next school year. The SBDM Council approves a budget each year as to how student fees will be used and this budget is submitted to our district Finance Director at the beginning of each school year.

If you have any further questions about our student fees or any other concerns, please do not hesitate to call the school at 859-744-6111.

Sincerely,

David H. Bolen
Principal
George Rogers Clark High School
