
*GEORGE ROGERS CLARK
HIGH SCHOOL*

*Freshman, Sophomore, and Junior
Honors Night
May 18, 2022*

Dear Parent/Guardian,

The faculty and staff of George Rogers Clark High School would like to thank you for your support in helping these students be successful. Students benefit from an environment in which we are “All In.” We are committed to preparing our students for the next step, whatever that may be. I am proud of our students and the effort they have put forth.

Thank you,

Jamie Keene
Principal

We will be honoring many students for their academic achievements. Even with our best efforts, mistakes, omissions, and errors may be made. Please bring those to our attention, and we will make the proper corrections.

The Top 10 award represents the students with the top 10 grade point averages for each grade level. In the event of a tie there may be more than 10 represented.

The Principal's Award is given to four students from each grade level (9th – 11th). These students are nominated by our faculty and chosen based on academic performance, character, community service, and/or extra-curricular participation.

GPA awards:

Freshman awards are determined based on the first semester of the current school year.

Sophomore awards are determined based on the first three semester credits earned.

Junior awards are determined based on the first five semester credits earned.
