Dear Parent(s) and/or Guardian(s):

As this school year quickly comes to an end, I want to thank you for your efforts in helping make GRC the premier high school in the state.

The Kentucky Summative Assessment (KSA) is Kentucky's measure of student proficiency and progress on the state content standards. GRC sophomore and junior students will be taking the KSA from May 16-19. I am very proud of how diligent our students have been this year and am excited to see how our students perform on this assessment.

Sophomore and Junior students will test on Monday, May 16th, Wednesday, May 18th, and Thursday, May 19th. I am asking all parents and guardians to help us by making sure your children are properly prepared for this assessment. By continuing to work together, we can provide the best opportunity for success. Here are some suggestions that you can do to help your child succeed:

-  Please make sure your child is in school every day, all day. Please avoid scheduling any appointments on testing days. Testing will begin promptly at 8:45, so be sure to have your child at school on time.
-  Make sure your child gets a good night's rest.
-  Encourage your child to eat a healthy breakfast at home or in the school cafeteria.
-  Have a conversation with your child that stresses the importance of putting forth their best effort on their KSA.

If you have any questions or concerns about the KSA, please do not hesitate to call or email me or any other administrator.

Sincerely,

Jamie Keene
Principal
