

# Journalism

This pathway gives students the opportunity to combine creativity, oral and written communication, technical skills, and real-world application to prepare them for careers in strategic communications, video production, graphic design, photojournalism, interactive multimedia, marketing, and many others. Smoke Signals is one of the longest-standing traditions in Clark County Schools, starting in 1958 at the old Winchester High School.

## Required Courses

Journalism I	9th
Journalism II	10th
Smoke Signals	11th/12th
Multimedia Marketing	12th

Every Student. Every Minute. Every Day.
