

# Childhood Development

This pathway will address a skill set necessary for success in early childhood education so that individuals can teach students ranging in age from infancy through eight years (grade three), depending on the school system or state regulations. This pathway is targeted for individuals preparing for careers related to early childhood education, such as those associated with childcare, teaching, community-based children's programs, social services or counseling for children, and after-school programs.

## Required Courses

FACS Essentials	9th-11th
Early Lifespan Dev.	10th
Child Dev. Services I	11th
Child Dev. Services II	12th
Early Childhood Co-Op	12th

Every Student. Every Minute. Every Day.
