August 19, 2020

Hello, Win City Cards!

Beginning Monday, Aug. 31, Chromebooks will be distributed in a drive-through format. Details are coming soon, along with specific information on class scheduling as we prepare to start the 2020-21 school year with Distance Learning.

Although nothing can take the place of face-to-face teaching and interaction, we are committed to providing the best possible learning environment possible, and hope everything returns to normal soon. Until then, we pledge to maintain quality distance instruction while prioritizing the health and safety of our students and staff.

Teachers officially return to the building on Tuesday, Aug. 25, and students begin classes Tuesday, Sept. 8. Please be looking in the coming days for specific details about our class schedule, online course access, attendance expectations, and grading.

The year will be a challenge but please know the GRC administration and staff are working hard to ensure students a positive Distance Learning experience.

Go Cards! #WeAreGRC

Sincerely,

David Bolen  
Principal
