Dear Parents/Guardians,

As we move forward with our In-Person learning, we are transitioning to a Hybrid A/B Instructional Model beginning on **Friday, October 30, 2020**. Parents/guardians will be notified of their students' Hybrid Group on **Tuesday, October 20, 2020**. Every effort is being made to keep all students within a household in the same group. We will continue to provide the Full-Time Distance Learning option for those parents/guardians of students opting to stay all virtual. **For those choosing to continue with the Full-Time Distance Learning model, the expectation is to remain in that platform until the end of the 2nd 9-weeks (January 8, 2021).**

Hand sanitizer will be provided for all students as they enter the buses. Buses will be sanitized between routes. Please visit www.clarkschools.net for more bus route information.

Car Riders/Drop Off Students/Walkers:

All car riders/drop off students/walkers will have designated drop off areas and entry doors. As students enter the buildings, temperature checks will be administered, and hand sanitizer will be available. The wearing of masks is required of all students and staff upon exiting vehicles.

School Nutrition:

Breakfast and lunch will be served to In-Person students. Our school nutrition department will continue to provide daily meal pick-up service (11:30 am – 1:00 pm) for all Distance Learning students at all school locations. Except for mealtimes, the wearing of masks is required of all students and staff.

The infection rate for the school and community will be reviewed regularly. Should a significant increase in COVID-19 cases arise in our schools or community during the Hybrid Instructional Model, students and staff may be required to return to full Distance Learning on short notice. This change could be implemented district-wide or on a school-by-school basis. If a change occurs, an announcement will be made to parents/guardians when applicable.

All Centers for Disease Control and the Kentucky Department of Health guidelines will be followed, including sanitizing/disinfecting, social distancing, temperature checks, and self-assessment questions. At all times, the wearing of masks is required of students and staff. Students refusing to wear masks will be placed on Full-Time Distance Learning.

Thank you for your understanding during these unprecedented times. All Clark County students and staff continue to be at the heart of our decision-making process.

Respectfully,
