Good news for this month: Veteran Day Assembly was great especially with the student body being so well behaved. We have started giving the KYOTE test again. It has been very beneficial for our students that needed it. Difference Maker will be this Wednesday evening. It is a great program for our school. Seniors are able to honor a teacher that was a Difference Maker for them during their years of education.

There were no public comments.

The five teacher committees will hold their first meetings on December 18, 2023. Monthly meetings will start after that.

December 5th a meeting will be held to determine the class schedule for next year. The committee includes teachers, parents, and students, etc. Mr. Cunningham and Kelli Parks have just been included. The committee
