Mr. Toy called the meeting to order at 5:00 p.m. He greeted the council and visitors to the meeting.

Mrs. Gay made a motion to approve the minutes for August 7th, second by Mrs. Greenwell. Motion passed.

Mr. Toy had several items to report in Good News. GRC now has a Facebook account. It will be very helpful in communicating with students and families. Kids are taking new rules well. Expectations in the classroom are also going well. Mrs. Greenwell will have her new baby by next Friday!!

There were several visitors from the public at the meeting, however, all preferred to not make comments.

Council discussed the parking situation at the school. In the mornings, cars are in line as far as the Bypass. Starting after fall break, students and parents will drive down the right side of the building. Students will peel off to their parking spaces and parents will drop off at the loop and up the hill.

Mr. Toy has received concerns about students not having enough time for their lunch. Also, they do have time to use the restroom between classes. After discussion, the council decided that the bell schedule should be changed. There

will be a two minutes addition on the time between first and second period to allow for second breakfast, and one minute between all other periods. They will start this schedule on the Tuesday after Labor Day.

Mr. Toy informed the council that receipt of Kentucky Open Records and Open Meetings Act and Managing Government Record has been verified.
